SURGICAL SESSION

SINGLE-PORT LAPAROSCOPIC RADICAL PROSTATECTOMY

Hospital das Forças Armadas, Lisbon

FEBRUARY 15 . 2016

This is a great opportunity to assist and contact directly on the operation room, with the two most prominent european surgeons in this procedure.

This event, integrated on the training program for single-port of our department, consists on two surgeries of single-port laparoscopic radical prostatectomy, performed by Felipe Cáceres and Pedro Cabrera.

One surgical session in the morning and the other in the afternoon, with three vacancy per procedure.

Please note:

- The interested, should register at www.admedic.pt
- For additional information please contact the secretariat by e-mail.
