

Monumental Lisbon with typical dinner

Thursday, 13 July 2017 – 18h00 – 23h30

We depart from the Faculty and will pass on the main Lisbon “musts”: Marquis of Pombal Square, Av da Liberdade, Rossio – the downtown area and the renewed Praça do Comércio.

On for the historical quarter of Belém where you will find some of the most remarkable monuments from the 15th and 16th centuries. Brief stop at the Belém Tower - world heritage by UNESCO (Torre de Belém) and at the Monument to the Discoveries (Monumento das Descobertas), that celebrates the Portuguese who took part in the Discoveries. Brief stop also near the Hieronymites Monastery (Mosteiro dos Jerónimos). Classified by UNESCO as World Heritage, this monument is a masterpiece of the “Manueline” style. We will continue along to the restaurant for dinner.

Located on the bottom floor of the building of the Restaurant Kais, the Restaurant **Adega do Kais** serves typical portuguese dishes, a kind of “Rodizio” where you can taste several variety of our gastronomy. Informal restaurant.

Return to the venue.
