

18th

EFIM

European Federation of Internal Medicine

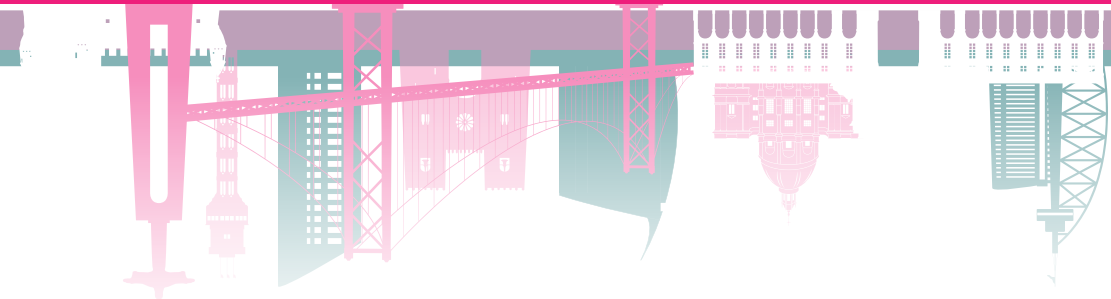

European Congress of **INTERNAL MEDICINE**

29-31 August, 2019
Lisbon

President of ECIM 2019: Luís Campos, Lisbon, Portugal
EFIM President: Nicola Montano, Milan, Italy

**Innovation in Health Care:
New Opportunities for Internal Medicine**

Scientific Program

www.efim.org/ecim2019

WELCOME

Join us for the 18th European Congress of Internal Medicine in Lisbon 2019!

Dear Colleague,

On behalf of the European Federation of Internal Medicine, it is our pleasure and privilege to invite you to the 18th European Congress of Internal Medicine, which will take place at the Lisbon Congress Centre, from 29 to 31 August 2019.

The theme of the congress is “Innovation in Health Care: New Opportunities for Internal Medicine”.

The choice of this theme was motivated by our belief that the demographic evolution, super-specialization trends in medicine and the escalating healthcare costs underscores the importance of a specialty with the characteristics of internal medicine, including the broad scope, patient-centred care and cost-conscious approach.

We have created an exciting program that balances challenging clinical topics with emerging innovations in medical care related to the theme of the congress. Excellent speakers will update our knowledge in a wide spectrum of areas in internal medicine and open new horizons for our specialty.

ECIM 2019 will also provide an excellent opportunity to share successful experiences and network with peers.

Voted as Europe’s leading destination, Lisbon is a trendy multicultural and multi-ethnic city with a unique light, beautiful buildings and streets, and excellent food and wine.

Throughout its history, Lisbon has been a point for convergence of civilizations. It is our wish that ECIM 2019 will be the meeting place for all internists across Europe and worldwide.

Welcome to ECIM 2019 in Lisbon! We will make you will feel at home!

Nicola Montano, MD, PhD
EFIM President

Luís Campos, MD, MSc, FACP (Hon)
President of ECIM 2019

COMMITTEES

President of ECIM 2019

Luís Campos, Portugal

EFIM President

Nicola Montano, Italy

EFIM Executive Committee

Nicola Montano | President, Italy

Dror Dicker | President Elect, Israel

Runólfur Pálsson | Immediate Past President, Iceland

Xavier Corbella | Secretary General, Spain

Valentin Kokorin | Treasurer, Russian Federation

Daniel Sereni | FDMIE President, France

Alberto Marra | Young Internists Chair, Italy

Ieva Ruza | Young Internists Past Chair, Latvia

Reinold Gans | President UEMS section of Internal Medicine, The Netherlands

Local Organising Committee

Luís Campos, Portugal

João Araújo Correia, Portugal

Armando Carvalho, Portugal

Vasco Barreto, Portugal

Lêlita Santos, Portugal

António Oliveira e Silva, Portugal

Luís Duarte Costa, Portugal

Faustino Ferreira, Portugal

João Sá, Portugal

António José Novais, Portugal

Teresa Mesquita, Portugal

LOCATION AND CONGRESS VENUE

Lisbon

The capital of Portugal lies on the north bank of the Tagus Estuary, on the European Atlantic coast. It is the westernmost city in continental Europe. Greater Lisbon has an area of approximately 1,000 km².

The city lies more or less in the centre of the country, approximately 300 km from the Algarve in the south and 400 km from the northern border with Spain. Lisbon offers a wide variety of options to the visitor, including beaches, countryside, mountains and areas of historical interest only a few kilometers away from the city centre.

Congress Venue – Lisbon Congress Center

The ECIM 2019 will take place at Lisbon Congress Centre, a pleasant and modern location, specially designed to hold large scale events of different kinds. The building offers lecture halls of different sizes, an attractive exhibition area as well as a number of rooms for spontaneous small scale meetings.

With the Tagus River nearby and close to the prestigious area of the Belém historical quarter, Lisbon Congress Centre is about 15 minutes drive from the city centre with its high number of hotels and restaurants.

ADDITIONAL INFORMATION

Registrations

	Early Bird Fee Until July 01, 2019	Regular Registration Fee Until August 15, 2019
Member	€ 350.00	€ 400.00
Non-Member	€ 400.00	€ 450.00
Young Internists and Students	€ 200.00	€ 250.00
Exhibitor	€ 100.00	
Fast Assessment Diagnostic Ultrasound	€ 150.00	
Hands-on course in non-invasive ventilation	€ 150.00	
Antibiotic therapy in clinical practice	€ 150.00	
Choosing wisely	Free	
Quality of care, patient safety and doctor-patient communication	€ 75.00	
Obesity Management Task Force Course Obesity Disease Treatment	Free	

Registration fee includes:

- Admission to the scientific sessions
- Congress material
- Lunches and coffee-breaks
- Welcome cocktail
- Certificate of attendance

Registration cancellations:

- Any cancellations must be sent in written to ana.pais@admedic.pt;
- Up to August 15, 2019 | A handling fee of € 50.00 is due;
- From August 16, 2019 onwards | A full invoice amount will be charged

Registrations for the conference must be made online at <http://www.efim.org/ecim2019/>.

For any questions regarding group registrations or online registration process, please contact Ad Médico: Ana Pais | Email: ana.pais@admedic.pt | Phone: (+351) 218429710

Hotel Accommodation

Guest rooms have been reserved at special congress rates in various hotels in the surroundings of the congress venue and in the city centre.

For information and/or reservation please visit <http://www.efim.org/ecim2019/> or send an email to paula.gomes@admedictours.pt

SIDE MEETINGS

Thursday 29 August

09:30-11:30h	UEMS Meeting	room 1.07
10:00-12:00h	Young Internists Assembly	room 1.13
10:30-12:00h	Choosing Wisely Working Group Meeting	room 1.09
11:30-12:00h	General Assembly Registrations	Auditorium III
12:00-14:00h	EFIM General Assembly	Auditorium III
14:00-14:45h	Lunch & networking	
14:45-17:00h	EFIM General Assembly	Auditorium III

Friday 30 August

12:30-13:30h	IMAGINE Working Group Meeting	room 1.05
12:30-14:30h	Ultrasound Working Group Meeting	room 1.06
12:30-13:30h	Quality of Care Working Group Meeting	room 1.02
12:30-14:30h	Critical Appraisal of Guidelines Working group Meeting	room 1.09

Other Meetings – Friday 30 August

12:30-13:30h	Foundation for Development of Internal Medicine Meeting	room 1.07
12:30-14:00h	EJIM Meeting	room 1.03

PRE-CONGRESS COURSES

Thursday 29 August

08:00h Opening of registration desk

09:00-17:00h **Course 1** Room 1.05 + 1.06

Fast Assessment Diagnostic Ultrasound

Coordinators *André Borges* (Portugal), *Paulo Marcelino* (Portugal) and *Susan Marum* (TBA)

Programme

09:00-09:15h **Introduction**
Course objectives

09:15-10:00h **Basic technical aspects**
Main ultrasound views
Image acquisition

10:00-11:00h **HANDS-ON**

11:00-11:15h Coffee break

11:15-11:45h **LV evaluation**
RV evaluation
IVC evaluation
Lung ultrasound

11:45-13:00h **HANDS-ON**

13:00-14:00h Lunch

14:00-14:30h **Basic evaluation of the shocked patient**

14:30-16:00h **HANDS-ON**

16:00-16:45h **Case studies**

16:45-17:00h **Review and questions**

Hands-on course in non-invasive ventilation (Limited to 28 participants)**Coordinators***Piedade Amaro* (Portugal) and *Marco Fernandes* (Portugal)**Faculty***Piedade Amaro* (Portugal), *Marco Fernandes* (Portugal) *Ricardo Pinho* (Portugal), *Elsa Sousa* (Portugal) and *Tiago Leonor* (Portugal)**Learning objectives**

- 1) Characterize acute respiratory failure and its pathophysiology.
- 2) Recognise the indications and contraindications for non-invasive ventilation (NIV).
- 3) Learn how to operate the ventilator and the equipment needed to start NIV:
 - a. Know the main differences between “intensive care ventilators” and NIV dedicated ventilators;
 - b. Recognize the usefulness and limitations of the features on the new generation of NIV ventilators: oxygen supplementation, leak compensation and monitoring;
 - c. Recognize the importance of the humidification of inspired gases, especially in intensive care ventilators;
 - d. Acknowledge the significance of the exhalation port in single circuit ventilators;
 - e. Distinguish exhalation ports from anti-choking devices;
 - f. Know how to connect oxygen enrichers in single circuit ventilators;
 - g. Know how to program the main ventilation modes and to set the alarms appropriately;
 - h. Learn the clinical importance of the pressure ramp and of the inspiratory and expiratory triggers.
- 4) Know how to choose an interface and how to adjust it to the patient:
 - a. Identify the advantages and disadvantages of full-face, oro-nasal and nasal masks;
 - b. Understand the role of leaks in NIV success;
 - c. Recognize and deal with leaks
- 5) Know how to capture the patient’s confidence to start NIV.
- 6) Know how to apply the necessary monitoring in NIV:
 - a. Acknowledge the need to establish the most appropriate place to start, according to the severity and risk factors of each patient.
- 7) Raise awareness to the meaning of an “early start” and “early recognition of NIV failure”.
- 8) Recognise the importance of patient-ventilator synchrony.
- 9) Learn how to adjust ventilator parameters based on the patient’s response.

Methodology

*Lectures; Practical sessions with the ventilator-hands on;
Clinical case scenario discussion.*

Evaluation

Theoretical knowledge assessment: The final evaluation consists in the answer to a questionnaire with 100 questions (“true” or “false” response). The successful completion of the Non-Invasive Ventilation Course implies correct answer to at least 75% of the questions.

Programme

08:20-08:35h	Course presentation
08:35-09:05h	Acute respiratory failure
09:05-09:35h	Oxygen therapy and Introduction to NIV – Indications and contraindications
09:35-10:20h	Ventilatory modalities I
10:20-10:35h	Coffee break
10:35-11:20h	Ventilatory modalities II
11:20-11:50h	Ventilatory interfaces and the logistics necessary to apply NIV in the acute setting
11:50-12:20h	Workshop: Patient-ventilator synchrony
12:20-13:30h	Lunch
13:30-15:30h	Practical session: Hands-on: knowing the material and programming the ventilator in different clinical situations
15:30-17:00h	Clinical case scenario: NIV in acute respiratory failure
17:00-17:30h	Theoretical knowledge assessment

09:00-17:00h

Course 3

Room 1.08

Antibiotic therapy in clinical practice (Limited to 80 participants)

Coordinator

João Sá (Portugal)

Faculty

António Nunes (Portugal), *Maria José Rei* (Portugal),
Bernardo Baptista (Portugal), *Pedro Raimundo* (Portugal),
Bernardo Neves (Portugal), *Anabela Raimundo* (Portugal),
Susana Coelho (Portugal), *António Messias* (Portugal), *Filipa Malheiro* (Portugal),
Mónica Nave (Portugal) and *Natália Marto* (Portugal)

Learning objectives

- 1) Microbiology issues in clinical practice.
- 2) Antibiotics: Mechanisms of action, pharmacokinetic and pharmacodynamic behavior.
- 3) Antibiotic therapy principles.
- 4) Antibiotic therapy monitoring in the hospital environment.
- 5) Antibiotic therapy in clinical settings.
- 6) State of the art and future of antibiotic classes.

Methodology

Lectures; Clinical cases discussion.

Evaluation

*Final assessment with a 48 questions multiple choice questionnaire.
Televoting if possible.*

Programme

09:00-09:15h

Course presentation

09:15-09:45h

Microbiology basic issues in clinical practice

António Nunes (Portugal)

09:45-10:15h

Antibiotics: Mechanisms of action, pharmacokinetic and pharmacodynamic behavior

Maria José Rei (Portugal)

10:15-10:45h

Antibiotic therapy principles and main rules

Bernardo Baptista (Portugal)

10:45-11:00h

Coffee break

11:00-11:30h

Antibiotic stewardship

Pedro Raimundo (Portugal)

11:30-12:00h

Antibiotic therapy of pneumonias

Bernardo Neves (Portugal)

12:00-12:30h

Antibiotic therapy in endocarditis

Anabela Raimundo (Portugal)

12:30-13:30h

Lunch

13:30-14:00h	Antibiotic therapy of urinary infections <i>Susana Coelho</i> (Portugal)
14:00-14:30h	Antibiotic therapy of intra-abdominal infections <i>António Messias</i> (Portugal)
14:30-15:00h	Antibiotic therapy of meningitis <i>Filipa Malheiro</i> (Portugal)
15:00-15:30h	Antibiotic therapy in febrile neutropenia <i>Mónica Nave</i> (Portugal)
15:30-16:00h	State of the art and the future of the different antibiotic classes <i>Natália Marto</i> (Portugal)
16:00-16:30h	Theoretical knowledge assessment
16:30-17:00h	Closing remarks

09:00-17:00h

Course 4

Room 1.02

Quality of care, patient safety and doctor-patient communication

(Limited to 30 participants)

Coordinators

Matthias Raspe (Germany), *Mine Durusu* (Turkey) and *Monica Bivol* (Norway)

Programme

09:00-09:05h

Welcome and introduction

Luís Campos (Portugal)

09:05-09:45h

Concepts and determinants of quality of care and patient safety in healthcare

(Introduction in the fields of quality of care and patient safety)

Luís Campos (Portugal)

09:45-10:30h

Tools to improve quality of care and patient safety

(Presentation of practical tools to evaluate, monitor and improve quality of care and patient safety in healthcare)

Reinhard Strametz (Germany)

10:30-10:45h

Coffee break

10:45-11:30h

The human factor

(This session covers the various causes of medical errors and what we can learn from them)

Amy Burbridge (UK)

11:30-12:15h

Treat first, what kills first

(The most relevant threats to patient safety in internal medicine)

Monica Bivol (Norway)

12:15-13:00h

Lunch

13:00-13:45h

Tuning the safety environment in the wards and keeping the team in

(The role of leadership and team work for improving quality of care and patient safety)

Mine Durusu Tanriover (Turkey)

13:45-14:30h

Improving health literacy

(How to communicate evidence and risks in an era of patient-centered care)

Reinhard Strametz (Germany)

14:30-14:45h

Coffee break

14:45-16:30h

Communication – The alpha and omega of quality in healthcare

(A session with practical parts to learn about essential communication skills for establishing an effective doctor-patient relation and safe care environment)

Fátima Seabra (Portugal)

16:30-17:00h

Course evaluation and closing remarks

Matthias Raspe (Germany)

13:00-17:00h

Course 5

Room 1.09

Coordinators

Choosing Wisely (Limited to 30 participants)

António Vaz Carneiro (Portugal) and *Bjiliana Ivanovska* (North Macedonia)

Programme

13:00-13:15h

Opening session

António Vaz Carneiro (Portugal) and *Bjiliana Ivanovska* (North Macedonia)

13:15-13:45h

Adoption, adaptation, and de novo development of trustworthy recommendations: GRADE

Hugo Catalano (Argentina)

13:45-14:15h

From Choosing Wisely to less is more: Data from an interventional approach

Giorgio Costantino (Italy)

14:15-14:45h

Top 5 LIST recommendations Switzerland

Omar Kherad (Switzerland)

14:45-15:15h

Coffee break

15:15-16:15h

Practical cases in Choosing Wisely. The implementation of CW Russia. Practical cases in Choosing Wisely. The implementation of CW. Portugal.

Olga Boeva (Russia) and *Miguel Bigotte Vieira* (Portugal)

16:15-16:45h

Discussion

16:45-17:00h

Final Session

António Vaz Carneiro (Portugal)

13:00-17:00h

Course 6

Auditorium IV

Obesity Management Task Force Course Obesity Disease Treatment

Coordinator

Dror Dicker (Israel)

Learning objectives

- 1) Recognise that obesity is a chronic relapsing disease that has a multifactorial aetiology and multiple health consequences.
- 2) Appreciate patient perspectives and the significant issues of weight bias and stigma.
- 3) Appreciate clinical evaluation techniques and be cognisant of the effectiveness of various interventions including dietary, physical activity, behavioural, pharmacological and surgical approaches.
- 4) Be familiar with a variety of evidence-based and patient-centred tools and methods that can assist and enhance the implementation of weight management programmes.

Programme

13:00-13:30h

Clinical evaluation of the patient with obesity disease in the Internal Medicine department

Daive Carvalho (Portugal)

13:30-14:00h

How to prepare the patient to life style changes

Amy Ahern (UK)

14:00-14:30h

Medical nutrition therapy

Paula Freitas (Portugal)

14:30-15:00h

Evidence based physical activity prescriptions

António Palmeiras (Portugal)

15:00-15:30h

Coffee break and free discussion

15:30-16:00h

Pharmacotherapy of obesity disease

Dror Dicker (Israel)

16:00-16:30h

Bariatric Surgery: Indication and options

Alex Miras (UK)

16:30-17:00h

Post Bariatric Surgery follow up – Internist point of view

Luca Busetto (Italy)

17:00-17:10h

Conclusion

SCIENTIFIC PROGRAM

17:30-19:00h	Opening session	Auditorium 1
	Opening remarks <i>Luís Campos</i> (Congress President, Portugal), <i>Nicola Montano</i> (President of EFIM, Italy) and <i>Marta Temido</i> (Health Minister, Portugal)	
	Opening lecture: The internist as a maestro <i>Joana Carneiro</i> (Portugal)	
	Exhibition Hall	
19:00-20:30h	Welcome reception	

Friday 30 August

07:00h	Opening of registration desk	
08:00-09:00h	Plenary session	Auditorium 1
	New developments in the approach to chronic heart failure <i>Stefan Anker</i> (Germany)	
09:00-10:00h	Parallel session	Auditorium 1
	Chronic thromboembolic pulmonary hypertension: A complex entity	
	<ul style="list-style-type: none">• Diagnosis and medical therapy <i>Marion Delcroix</i> (Belgium)• Pulmonary endarterectomy and pulmonary angioplasty <i>Eli Fadel</i> (France)	
09:00-10:00h	Parallel session	Auditorium 2
	Changing the paradigm of hospital care	
	<ul style="list-style-type: none">• Co-management of surgical patients <i>Eduardo Montero Ruiz</i> (Spain)• Hospital at home <i>Sophia de Rooij</i> (the Netherlands)	

10:00-10:30h	<p>Coffee break / Poster discussion / Young Internists Corner</p> <p>Young Internists Corner Exhibition Hall</p> <p>Make Internal Medicine great again: Bridging the two sides of the ocean <i>Robert McLean</i> (USA) and <i>Xavier Corbella</i> (Spain)</p>
10:30-11:30h	<p>Plenary session Auditorium 1</p> <p>The impact of artificial intelligence on the future of healthcare <i>Don Detmer</i> (USA)</p>
11:30-12:30h	<p>Parallel session Auditorium 1</p> <p>Hot topics in liver disease</p> <ul style="list-style-type: none"> • From NAFLD/NASH to autoimmune hepatitis <i>George Dalekos</i> (Greece) • Acute on chronic liver failure <i>John O'Grady</i> (UK)
11:30-12:30h	<p>Parallel session (Joint session EFIM-ACP) Auditorium 2</p> <p>The hospital in the context of health and social network</p> <ul style="list-style-type: none"> • European perspective <i>Xavier Corbella</i> (Spain) • American perspective <i>Robert M. McLean</i> (USA)
