

CURSO DE VIA AÉREA DIFÍCIL

DIFFICULT AIRWAY COURSE

2023 | 30 de
setembro

Centro de Simulação UAlgTec Health,
Universidade do Algarve, Faro

EXCLUSIVO PARA NÃO ANESTESIOLOGISTAS
EXCLUSIVELY FOR NON-ANESTHESIOLOGISTS

PROGRAMA *PROGRAM*

CURSO DE VIA AÉREA DIFÍCIL

DIFFICULT AIRWAY COURSE

2023 | 30 de setembro

EXCLUSIVO PARA NÃO ANESTESIOLOGISTAS

EXCLUSIVELY FOR NON-ANESTHESIOLOGISTS

PRÉ-CURSO *PRE COURSE*

ONLINE

Bibliography

Pre-course inquiries

Theoretical concepts on review

Introdução e apresentação

Airway evaluation (Incl ultrasonography)

Online lecture | 20 to 30 minutes

Clinical signs and observation of difficult airway predictors

Zélia Moreira

Guidelines

Online lecture | 30 to 40 minutes

Teaching national and international airway guidelines and airway materials

Jorge Matos Órfão e Rita Frada

Airway gadgets

Online lecture | 10 to 15 minutes

Organize difficult airway materials

Jorge Matos Órfão e Rita Frada

Airway approach (Incl oxygenation)

Online lecture | 15 to 20 minutes

Assembly information and project knowledge to improve airway approach

Carlos Mexedo

Non technical skills

Online lecture – 15 to 20 minutes

Assembly information of non technical aspects to improve airway approach

Rita Resende

Extubation

Online lecture | 15 to 20 minutes

Extubation criteria, tips and tricks

José Alberto Martins

Clinical records

Online lecture | 15 to 20 minutes

Importance of keeping information concerning airway management

Clara Gaio Lima

Clinical practical videos

Online video | 60 minutes

Videos demonstrating the use of various materials in airway approach

Jorge Matos Órfão e Jose G. Aguiar

Evaluation Test

MÓDULO TEÓRICO-PRÁTICO

PRACTICE ON REVIEW

PRESENCIAL

IN PERSON

Centro Biomédico de Simulação

08:15-8:30h	<i>Reception and introduction</i>
08:30-09:10h	<i>Why are we here?</i>
09:15-10:00h	<i>Ultrasonography</i>
10:00-10:55h	<i>Laryngoscopy and videolaringscopy</i>

10:55-11:15h Pausa para café | *Coffee break*

11:20-12:15h	<i>Supraglottic devices</i>
12:15-13:00h	<i>Tracheostomy</i>

13:00-14:00h Free lunch

14:00-15:30h	<i>Fiberoscopy</i>
15:35-16:10h	<i>Surgical access in emergency airway</i>

CLINICAL SIMULATION

16:15-16:45h	<i>Difficult airway in nursery</i>
16:45-17:15h	<i>Politrauma</i>

17:15-17:45h Pausa para café | *Coffee break*

17:45-18:15h	<i>Difficult airway in emergency room</i>
18:15-18:45h	<i>Extubation in difficult airway</i>
18:45-19:15h	<i>Take home messages</i>
19:15-19:20h	<i>Closing</i>

ORGANIZAÇÃO ORGANIZATION
